

PRESENTATION OF EUROPEAN SLEEP RESEARCH LABORATORIES

The presentation of your sleep research laboratory is important in terms of your visibility and international recognition, and the ESRS is happy to be offering you this opportunity. To be eligible to be published on the ESRS website as a research sleep research laboratory:

1. the head or a senior member of the laboratory should be an ESRS member
2. research activity in the domain of sleep within the past 5 years should be demonstrated by at least two relevant refereed publications and/or one research grant.

When your laboratory is created and submitted for the first time to the ESRS, its eligibility will be checked by the ESRS Research Network Committee (RNC; <http://www.esrs.eu/committees-networks/research-networking-committee-rnc.html>). You will then be able to modify/update the contents of all fields except for the Basic data (laboratory name and head), without the need for approval. Changes will be implemented automatically. Please note that given the criteria mentioned above you must at least fill in the fields "Publications" and/or "Grants" with relevant information to make your sleep laboratory eligible to be listed on the website.

Please note also that the ESRS Research Network Committee is currently working on a list of criteria for those sleep laboratories that would be willing to be accredited by the ESRS as Sleep Research Teaching and Training Centre. This accreditation will be given by the RNC after careful inspection of the information provided on the sleep research laboratory webpage, complemented by supplementary information fields (currently not available) related to its teaching and training capabilities. It is therefore important to provide detailed information in all fields if you are interested in this option.

STEP BY STEP: EXAMPLE LABORATORY SUBMISSION

This is a step by step guide that you can follow to create your own sleep research laboratory at the ESRS members' only website.

Step 1

Enter your Username and Password into the boxes at the login page (<http://www.esrs.eu/membership-services.html>) and click "Login."

Step 5

After clicking “Create”, the creation of your laboratory will be confirmed. To complete the laboratory information, click the link “Edit Laboratory Information” in the confirmation message or the corresponding subfolder in the navigation bar.

A confirmation letter will also be sent to the email address indicated in the field “Contact E-Mail”.

Step 6

A list “Edit Laboratory Information” will show up. Click the items in the list to access the full range of form fields in each section. Fill in more detailed information about your laboratory and / or modify the data (except “Basic Data”).

To preview the presentation, click “Open Profile Page”.

Information can be edited during various logon sessions. After completing all information, click “Send to approve”. Your submission will then be forwarded for evaluation.

This is an example for filling in the section “Collaborations”:

Click “Collaborations” to view the full range of form fields. After filling in the fields, click “Save Member”. To add a new collaboration member, click “+”. To remove a member, click “x”. To change the list sequence, use the arrows “^” and “v” for moving the records up or down.

The screenshot shows a web interface with a sidebar on the left containing menu items: Basic Data, Address Data, Image Upload, Detailed Information, Other laboratory Members, Publications, Grants, and Collaborations. The 'Collaborations' menu item is selected and highlighted with a red box. The main content area displays a form for adding a new collaboration member. The form includes the following fields and options:

- Title:** A list of checkboxes for degrees: BSc, MSc, PhD, BA, MA, and MD. The MD checkbox is checked.
- First Name*:** A text input field containing the placeholder text "Any First Name Collaborator".
- Middle Name:** An empty text input field.
- Last Name*:** A text input field containing the placeholder text "Any Last Name Collaborator".
- Institution:** An empty text input field.
- Position:** An empty text input field.
- E-Mail*:** A text input field containing the placeholder text "any.collaborator@email.com".

At the bottom of the form, there is a row of controls highlighted with a red box: a "Save Member" button, a "+" icon for adding a new member, an "x" icon for removing a member, an upward arrow (^) for moving up, and a downward arrow (v) for moving down.

Step 7

Please remember to click the button “Send to approve” when all information has been filled in. Your laboratory will not enter the evaluation process until this step has been taken.

Approved laboratories can be viewed in the public website following the link “European Sleep Research Laboratories” in the section “Membership & Services”.

HTML Tips: Text Attributes and Short URL

To format text elements, use the following tags:

bold `text`: **text**
 italicized `<i>text</i>`: *text*
 underlined `<u>text</u>`: text

To shorten a web address/URL, use the following notation:

`short name`

The URL http://xxx.xxx.xx.xx/xxxxx/xxx_xxxx will be displayed: short name.
